The diagram illustrates the setup of the tent. Red lines show the placement of the tent poles. A circular inset shows a close-up of a pole being inserted into a sleeve, with a red arrow indicating the direction of insertion.

The diagram illustrates the setup process in three numbered steps:

- Step 1:** Shows the tent body and poles being unpacked and laid out on the ground. A circular inset shows a pole being inserted into a sleeve on the tent fabric.
- Step 2:** Shows the tent body being attached to the poles. A circular inset shows a strap being buckled onto a pole.
- Step 3:** Shows the tent being secured to the ground. A circular inset shows a stake being driven into the ground through a loop in the tent fabric. Another inset shows a guy line being attached to a stake.
